✓ An easy and simple method to learn, improve and test your vocabulary ✓ Over 200 idiomatic expressions, complete with accurate translations ✓ Ability to listen to audio sentences while studying ✓ A series of tests to make your job easier ✓ Ability to follow a conversation in Arabic and English side-by-side ✓ More than 100 articles will help you broaden your knowledge of Arabic ✓ A clear and simple user interface From the developer: "A word bank is a book that stores words and phrases; It's a relatively new concept. But the good thing is that with this app, you can now have one too. A word bank contains words, phrases, sentences and stories. It's similar to what a dictionary is except you have a word bank for all the languages you know and even more. So you'll never be lacking a word. That's why it's also known as a dictionary for the brain. It's a great way to not just learn new words but to improve your vocabulary, too. So welcome to the world of word banks! Explore more than 30 different categories and hundreds of words! There is a word bank for all your main languages. And your brain will always be ready for surprises! The more you learn, the more you can speak." WordBanker English-Arabic Free Download App: English Module: ✓ 215 words and phrases for every day ✓ 28 categories ✓ 7 featured categories ✓ Complete with translations Arabic Module: ✓ 215 words and phrases for every day ✓ 28 categories ✓ 7 featured categories ✓ Complete with translations How to Install: When installing, please ensure that the application is installed in the local language. WordBanker English-Arabic Crack+

WordBanker is an effective and reliable application designed to assist in memorizing, and improving the language skills of anyone interested in learning the English language. It makes learning English easy and entertaining. With WordBanker you can:

- * Memorize words and associate them with their meanings.
- * Learn words quickly and easily with flashcards.
- * Learn words from the Internet.
- * Build a word list of new words.
- * Practice speaking vocabulary and sentence.
- * Learn new meanings with audio definitions.
- * Have fun with various games.

With this application you will be able to understand the vocabulary of English and practice using it fluently and correctly, and become much more capable of learning the language. You can read the definition of words in your native language from anywhere in the world, and you can choose the language you want to learn.

WordBanker English-Arabic is easy to use, fun to learn, and inexpensive. It's a must-have for anyone who wants to learn a new language in a fun and easy way. WordBanker shows you the entire English vocabulary in a graphical form in alphabetical order (left to right). Words are presented in groups that have the same meaning. You can group words by the theme in which they are connected, so as to help you memorize them. These themes can be a fact, a verb, an emotion or feelings and so on. It is easier to recognize words that you already know, which helps you increase your learning speed. Also, you can use the User Dictionary for the meanings of words and phrases that you don't know, or use the Associative Memory for memorizing words and meanings that you know, but are not active in your vocabulary. The four ways of learning English words with WordBanker are useful for all learners, whether they learn by reading or listening. By learning words with WordBanker, you will:

- * Memorize words and associate them with their meanings.
- * Learn words quickly and easily with flashcards.
- * Learn words from the Internet.
- * Build a word list of new words.
- * Practice speaking vocabulary and sentence.
- * Learn new meanings with audio definitions.
- * Have fun with various games.

WordBanker shows you the entire English vocabulary in a graphical form in alphabetical order (left to right). Words are presented
